SUPPLEMENTAL AMENDMENTAssistant Commissioner for Patents
Washington, D. C. 20231

Dear Sir/Madam:

This Supplemental Amendment is filed subsequent to Applicant's Response to Supplemental Office Action, which Applicant mailed on November 1, 2001, in response to the Supplemental Office Action mailed August 1, 2001, for the above-captioned patent application. Submitted herein are claim amendments suggested by Examiner Baker in a telephonic interview she graciously granted to Applicant on July 25, 2002, in addition to a number of amendments to the specification to correct obvious typographical errors. In connection with the above-captioned application, the Examiner is respectfully requested to enter and consider the following amendments and remarks.
